Our deposit is \$250 and must be received within 5 business days of you picking out your puppy. If you are mailing a payment, please send a USPS Postal Money Order by Priority Mail with Delivery Confirmation. No personal checks can be accepted. Unless other arrangements are made, the deposit must be made within 5 business days, or the puppy will go back up for adoption. Please be sure you can accept the responsibility of a puppy as deposits are non-refundable under any circumstances! Deposits are good for one year and can be transferred to future litters.

This form must be filled out, signed and mailed to us WITH the deposit. The balance is due by the time your puppy is 7 weeks old and must be paid by cash or USPS Postal Money Order. This avoids the hassle at the time of delivery.

If the balance due is not received by the time the puppy is 8 weeks old, the deposit is forfeited, contract is void, and the puppy will be placed back up for adoption. Shipping is available and the price depends on location of the buyer. Buyer assumes all costs associated with shipping. Additional costs when shipping include health certificate and crate and airline ticket. Unless other arrangements are made, shipping costs or mileage must be added into the balance due.

Please Note: We reserve the right to determine when the puppies are ready to be shipped out. We do our very best to get your puppy to you as soon as possible, but there are sometimes delays and circumstances that are all of my control; inclement weather conditions (too hot or too cold), hazardous driving conditions, flight schedule delays and puppy development. Understand that we will NOT ship a puppy unless we feel that the conditions are safe and that the puppy is ready to make the trip. We do this to ensure that your puppy will arrive to your home safe and healthy.

Before the delivery of a puppy can be made the "Contract" must be signed by

both parties. If you would like to sign it and send it in with the deposit, I will sign it and return a copy for your records with the puppy's papers.
